STONEWALL: The 40th Anniversary Commemorative Concert - Presented by **OUTmusic** in association with **The Saint At Large**. The 90-minute concert will feature a star studded line up of New York's finest recording artists. Its mandate is to bring the entire LGBT community together in a night of festive recognition of this special milestone. Immediately following **STONEWALL** Concert will be the **LOVE BALL** Dance Party/Ballroom Competition.

Political and business leaders, members of the media and other LGBT dignitaries will have an opportunity to welcome guests from around the world. Proceeds from **STONEWALL** will benefit a number of charities including **The OUTmusic LGBT Recording Academy which produces the OUTmusic Awards**, the **ANTI-VIOLENCE PROJECT**, **Marriage Equality**, **OUT of Bounds** & **OUT Impact**.

Proceeds for the **LOVE BALL** will benefit **HERITAGE OF PRIDE**.

OUTmusic is the alliance of openly LGBT recording artists and performers which was founded over 19 years ago by life partners **Dan Martin** and **Michael Biello** to provide supportive environment for gay artists when there were no venues or radio stations that would honor or support openly gay artists. The 2009 **OUTmusic Awards (OMAs)** is slated to take place in New York this Fall to recognize & honor the best in LGBT music & entertainment. The mission of **OUTmusic** is to support and increase exposure of

underrepresented openly LGBT artists by working to bridge the gap between the mainstream & LGBT entertainment industries.

The Saint At Large, one of the world's preeminent producers of nightlife entertainment targeting the gay community, has retained its reputation for state-of-the-art production value and cutting-edge innovation. **The Black Party**, held every March on the Vernal Equinox, is considered the originator of and remains the largest predominantly gay dance event in the world. The 30-year old family run business has been featuring show business icons and introducing emerging dance music artists since its roots at the legendary East Village gay mega club, **The Saint**. Featured artists have included **Grace Jones, Sylvester, Marky Mark** and, more recently, **Jennifer Hudson** and **Roisin Murphy** in their respective New York solo concert debuts. It produced the film, **SCHWARZWALD** starring FTM porn star, **Buck Angel**, as the first *MOVIE YOU CAN DANCE TO* which has toured nightclubs and film festivals internationally. It is thrilled to again be working with **HERITAGE OF PRIDE** on the **OFFICIAL OPENING NIGHT PARTY** after producing last year's highly successful, **CHAMPIONS: THE AFTERPARTY**.
