

HEAVEN

(a. aparicio)

Oh, oh it's coming, this little feeling's coming.
The one from way inside, the one you try to hide.
Oh, oh I see it. I think I really see it.
The roads are paved in gold and no one here grows old.
Love. Love, in Heaven.

Chorus

In Heaven
You find the prettiest girls.
Heaven
In halo's and curls.
Heaven
Could be the loneliest world.

Oh, oh it's Heaven - oh God it's really Heaven.
With angels by my side, no one here denied.
Oh, oh I mean, this time I really mean it.
Don't wake me from this dream with
All my friends and me.
Love, Love, in Heaven.

Chorus

Bridge

All the beds were made and all the kids were saved.
All my precious dreams,
All These Brilliant Things.

Oh, oh it's coming, this little feeling's coming.
The one from way inside, the one you try to hide.
Oh, oh I see it. I think I really see it.
The roads are paved in gold.
It's quiet here.
