

I'M THE ONE

(a. aparicio)

I'm - in my lonely room.
In my quiet bed I have always known.
Yeah - the Mighty hands of time,
Never take a breath, always tow the line.
Aye aye, aye ya yae ya. (2x)

I am. I, I am, I am.

Here in this place of God,
I can see the light shooting from the stars.
On Earth and in some town in Mars,
The meek walk hand in hand,
The cool arrive in cars.
Aye, aye, aye aye.

Chorus

I am - I am the one you call.
I am the one who falls.
I am the broken one.
I am - I am the ground you walk.
I am the words you talk.
I am the chosen one.

Oh, it never felt this good.
It never hurt so bad, I never understood.
Why - my lonely tears they sting,
My empty hands they bleed,
My lonely heart still sings.

Chorus

Yeah, it's few and far between.
Between the light and me, between the notes I sing.
What will and what will never be.
What we'll always know and what we'll never see.
Aye, aye, aye, aye.

Chorus out
