

PUNK ROCK GIRL

**Desperately,
They ran inside and locked the front door.
Stupidly,
They held so tight and bought things they can't afford.
Tried to make more of this shotgun match
By 21 he had a heart attack.
This is all.
This is all.**

**Unfortunately,
Little Sussie became a black market baby.
And Honestly,
No wonder she had to go through therapy.
Listen to me and try to understand
This troubled story came from a traded hand.**

Chorus

**She's my punk rock girl.
Sweet as molasses, she's my pearl.
She's my punk rock girl.
Sweet little thing. Sweet little thing.**

LEAD

Chorus

**She's my punk rock girl.
Sweet as molasses, she'll rock my world.
She's my punk rock girl.
Sweet little thing. Sweet little thing.**

This is all. This is all. This is all..
