

THE NEW WORLD

(a. aparicio)

Hollywood, movie screens.
Texico. Halloween.
Glad to see you went away,
Left them all dry & grey.
Kingdom comes with violins
That soothes the shattered child within.

Get ON
Can see you walking
Right ON
Victoria Lake
Press ON
In glory boots and ride on the gold.
Lean ON
The strong and bold
Grove ON
The beats that follow
Right ON
Victoria Lake and shake off the cold.

Breakfast nooks and genocides.
British hooks and apple pies.
Glad to see you came on back,
With rusty nails and baseball bats.

CLAPPING
Your head is spinning
SLAPPING
She keeps on grinning
REEKIN' of sloppy joes and yesterday's stew.
March ON
The ocean blue
Ride ON
To Timbuktu
I see you the next of kin in caddys and gin.

LADIES & GENTLEMEN - BOYS & GIRLS,
WELCOME TO THE NEW WORLD.
WITH FANTASIES & DIRTY KNEES
RADIOS & VIDEOS
CAROLYN'S AND CREDIT LINES
MANATEES & DIRTY KNEES.

GET ON & RIGHT ON.
RIGHT ON & LEFT ON.

Here we are on solid ground.
Maplewood. Painted towns.
Seeing red & Bible books.
Hollywood & lonely kooks.
